Tina Schafer, PC, began her real estate career in 1997 and enjoyed rapid success, being inducted into the RE/MAX Hall of Fame during her tenure with them. Her considerable expertise, passion for sustainability, ability to educate and connect with empathy, and to focus on her clients' needs made her an obvious match for us! Since joining forces with Urban Nest in 2012, she has twice received the nationally-recognized Five Star Award and was ranked in the top 5% of Multnomah County brokers for 2014. Known as one of our west side Agents, she's one of our 'go to' experts for Washington and Clackamas counties, as well.In her spare time, Tina loves doing home improvement projects, gardening, getting out in nature, and doing her part to keep the planet clean and healthy. She lives in SW Portland with her partner, Karen, and their five furry friends.
