The Pines Cottages is an original "cabin court" located 6 miles from downtown Asheville. If you love vintage, up-cycling, old school, simple, nostalgia, nice people, and some character - then we are the place for you. We even welcome your dogs. The cabins were built in 1929, with kitchens and baths added at a later date. The cottages were added in the 1930's and 1940's. We keep the cabins and cottages maintained and are continuing to remodel. The furnishings are comfortable but simple and the kitchens are fully equipped with everything you need to cook and eat. The cabins and cottages are located on 4 acres with mature trees and gardens offering an urban oasis. There are places to sit, a hammock to lay in and an outdoor fire pit to enjoy. Our location is ideally located near everything. We are about 8 miles to the Biltmore Estate, minutes away from the Blue Ridge Parkway, hiking, rafting, zip lines, great restaurants, and many other activities in and around Western North Carolina. All employees are fully vaccinated.
