

Grand Canyon Helicopter Tours from Las Vegas

Las Vegas, Grand Canyon, Nevada 89109
United States

With over 9 years experience in providing helicopter tours over the Grand Canyon, you couldn't be in better hands, as we provide an unforgettable experience of one of America's most famous landmarks. We use state of the art helicopters for our flights, and our pilots are highly experienced and friendly, so we can ensure that your tour is both safe and comfortable. For that reason our safety and security measures assures our passengers the safest and most pleasurable experience possible. We offer a variety of helicopter tours that range from simply taking in the amazing sights of the Grand Canyon and Las Vegas to off-road adventures and overnight camping! And since you are staying in Las Vegas, there is so more to do in Las Vegas than fly in a helicopter! Maybe even TOO much to do. If you're feeling a little overwhelmed by all the choices, or getting it all organized, why not choose a tour, or two? We also offer other fun Las Vegas tours! Explore this amazing city and make memories to carry for a lifetime. Being one of the largest helicopter tour providers in the Las Vegas and Grand Canyon areas, we can offer some other exciting and fun tour options in addition to our helicopter tours. See the Grand Canyon from an off road vehicle or a hot air balloon! Watch a hilarious Vegas Comedy Show. We have lots of fun ideas at the best prices! From nightlife, to walking tours, bike tours, food tours, shows & comedy, there is SO many great Las Vegas tours. There are hundreds of activities to choose from, one for every budget

and interest! Browse our tour packages, hand picked and reviewed by our visitors. We offer fast and secure booking online. That way you can be sure that you receive the helicopter tour that you desire. Whatever your needs, we are sure that we will have a tour that will suit you. Check out all we offer and our daily discounts at Grand Canyon Helicopter Tours & Las Vegas Area Attractions on our website at <http://grandcanyonhelicoptertour.net/> Experience the Majestic Grand Canyon from the sky.
