Website

Serving the Santa Barbara, Montecito, Goleta & Summerland areas. I am a Real Estate Broker with 30 years experience, and pride myself on providing professional and ethical service, with your needs as my utmost concern. I'm a graduate of Stanford University with experience in home design and renovation. Because of the small size of our office and limited clientele, I can offer highly personalized service that is not possible with a larger firm. Yet I am still able to provide the same array of services, and have access to the same properties that the larger firms have. Some of my past clients have included Raquel Welch, Curt Cobain, Courtney Love, Lorenzo Llamas, and Paul Hogan. We are supportive of the LGBTQ Gay and Lesbian community.
