Love Where you Livelf you are considering a move to St. Louis, I specialize in the St. Louis City areas and have lived in the City for 25 years. The City neighborhoods I feel are extremely gay friendly. I currently live in the Compton Heights neighborhood but have lived all over the City and I love it here. I am always current on neighborhoods, the people who live in them and what they have to offer. The City of St. Louis neighborhoods have many wonderful shops, restaurants, theatre, parks, sports, clubs, as well as a huge array of wonderful Victorian and modern home choices in all price ranges. I pride myself in being an expert in construction relative to new homes and vintage properties. Many of the areas I specialize in are Compton Heights, Tower Grove East, Tower Grove Heights, Shaw, Lafayette, Soulard, St. Louis Hills, Holly Hills, Dutchtown, Mount Pleasant, McKinnley Heights and Fox Park. I also have extensive knowledge of most of our County neighbors. I have been a top selling agent in the St. Louis Market and have been consistent for more than 19 years. If you are looking for excellent representation whether buying or selling, I would be happy to assist you. I am very available, just call me anytime if you have any questions about your new transition. Please feel free to browse my website (link above). I look forward to showing you the history and makeup of our wonderful City

homes, neighborhoods and it's inhabitants. I also would love to take you around these areas in person. I look very forward to hearing from you. Tyler Olsen
