United States

Phone: 503-957-7705  
Fax: 503-549-8663

I am a U.S. Army veteran originally from the Midwest who moved to Oregon to attend Grad School and never left. I am also a Diamond member Multi-Million Dollar Realtor, a Top Ten producing agent, and have had years of experience as a Branch Manager. As an added bonus, my previous career was as a Child & Family Psychotherapist, which really helps in the negotiation phase of the deal... not to mention my skills in crisis management which is especially useful for my first-time home buyers! My wife, Kristin, and I are active members in our community and honored to have been part of the Basic Rights nation wide same sex marriage television campaign that helped make SSM law of the land. I value your business and have many satisfied clients that will attest to our honesty, diligence, professionalism, attention to detail, promptness, sense of humor, ethics, and no pressure approach. In addition, I have experience as a buyer and sellers' agent, with investors, banks & attorneys in short sales (pre-foreclosures), land/rural sales, and out-of-state clients looking to move to the Pacific Northwest. I also have an unheard of 100% sales success rate which means ALL of my listings have sold within the

contract period. Give me the opportunity and you will see why one of my clients dubbed me, "The hardest working woman in real estate!"
