Kevin Backer is the gay author of the novels A Preacher's Son and No Son of Mine. Both are available through Amazon and Barnes & Nobel as well as many gay and lesbian bookstores. His website keeps readers up to date on current works as well as previews of coming novels. There is also a contact form for sending Kevin emails under the contact section of the website. Kevin's past novels, No Son of Mine and The Preacher's Son both concern the coming of age stories of young men experiencing the trials and tribulations of coming out as well as how they deal with their families. His next novel, so far unnamed, will explore the world of gay Vampires. Release of this novel is expected in early 2012.
