Travis grew up in a small town in west central Wisconsin and attended University of Wisconsin Stout where he majored in Marketing Education with a minor in Business emphasis in Real Estate. After graduating with honors in 1999 and upon completing a two year internship with Pulte Homes, he began his full time career in Real Estate. When not working Travis enjoys spending time with his husband Bryan and their two sons Oliver & Elliott. They enjoy spending time at their cabin in Wisconsin where they go boating, snowmobiling or simply spend time with their friends on the lake. Travis differs from many realtors in that he has spent his career fostering relationships and many of his clients now consider him a true friend. Travis has 20 years of Real Estate experience and is now with RE/MAX Advantage Plus where he continues to exceed his goals. For the past 11 years he has been nominated the Twin Cities "Super Agent" awarded by Minneapolis/St Paul Magazine maintaining his place in the top 5% of all Real Estate agents. He has delivered 99% of list price to his sellers and beats the market average with only 28 days on market. He has received Multiple Platinum & Chairman Club awards, which are earned by less than 1% of all real estate agents nationwide. He continues his professional education and

received his E Pro designation after an intense four course program focusing specifically on advanced technology and internet marketing techniques. He also has his GRI, CRS, and ABR designations. With his love for new construction and remodeling, he also holds his residential contractor license in Minnesota. As the Principal of GayrealestateMN.com, Travis focuses on the marketing and networking of the business as well as overseeing his team by assisting in prospecting, lead generation, and property location. Buyers enjoy working with Travis because of his broad knowledge of Twin Cities and Western Wisconsin neighborhoods.
