

Pet Rush - Dog Grooming & Pet Boutique

1040 W. Kenneth Road
Glendale, California 91202
United States

Phone: (818) 956-0029

Pet Rush is Glendale's first rescue-only pet store. We have formed partnerships with most Los Angeles county shelters with the help of Best Friends Of America and the Jason Heigl Foundation. Our goal is to find good loving homes for homeless pets who might not be adopted if left in government-run shelters and would have to be put down due to overcrowded conditions. Pet Rush is part of a movement that is happening across Los Angeles and throughout the nation – people are becoming more socially conscious about the welfare of animals. Pet Rush services include: Dog and Cat Grooming, Pet Adoption, Ultrasonic Teeth Scaling (supervised by a licensed veterinarian), Pet Supplies / Food / Accessories. For even more services, visit our other location, Pet Rush Inn, located at: 115 W. Linden Ave. Burbank, CA 91502. Pet Rush Inn additional services include: Overnight Dog & Cat Boarding (Pet Hotel), Doggie Day Care, Pet Training, Veterinary Care. Call for more information: (818) 471-4298. All pets put up for adoption by Pet Rush are spayed/neutered, vaccinated, and microchipped. Pet Rush is aiming to stop the inhumane treatment of animals. Rene Karapedian, the director of the Glendale Animal Welfare and Rescue (a non-profit organization) is a strong advocate of

converting pet shops to what he calls his Humane Business Model for Pet Store Owners. ADOPT, DON'T SHOP! If you're going on vacation, but can't travel with your pet, our overnight boarding is the perfect solution. We offer custom designed suite accommodations each outfitted with the necessary amenities. All suites are completely sanitary and safe for your pet's stay. Dogs and cats must meet appropriate vaccination requirements before staying overnight.
