We are a firm specializing in bookkeeping, payroll and HR related functions, with over 20 years combined experience in bookkeeping and business. At Agee Business Solutions, we work remotely, which, benefits you by saving money on payroll, taxes and insurance. Further, we utilize a flat rate price, based on each clients' business, so you never have to wonder what you will owe for services. Your rate will remain the same unless your business grows beyond the threshold of your current price plan.
