The Doctor is in. We make sure your house or business has a clean bill of health to protect your home from the elements any time of year. Harsh winds, driving rains, and blistering heat can ruin the exterior of your home, building, or commercial structure. That's why at Dr. Roof we use the best quality materials such as Malarkey, Owens Corning, I.B., and Duro-Last when installing or repairing your roofing. We also specialize in deck membrane coverings, such as TufDek to create a beautiful maintenance free deck surface and clean dry safe storage area underneath. In both cases we've literally got you covered in Vancouver, Battleground, Camas-Washougal WA, Portland, Hillsboro, McMinnville and Gresham OR and surrounding areas, SW Washington and Northern Oregon Coast and surrounding areas. Our professional team has been expertly trained and certified as experts by various manufacturers, so that we are knowledgeable in all aspects of the roofing and deck membrane products we supply, install, and repair. That way our customers can feel assured they are choosing the right contractor for their project. Don't take our word for it, we have thousands of satisfied customers who recommend Dr Roof to their friends, neighbors, and family so you can rest assured

that we always get the job done right. Give us a call or email us and we will provide you with a free estimate. If you are in the area, then we invite you to stop by our showrooms in Vancouver, WA, Long Beach, WA or Seaside, OR.
