I'm a proud, local resident of Richmond and part of the growing LGBTQIA+ community here. Born and raised in Richmond (Stratford Hills, where I currently live with my husband, 2 dogs, 2 chickens, and aquatic fish), I graduated from VCU with a business marketing degree. After college, I had an amazing opportunity to work in California in the entertainment industry - even earning a Grammy nomination in audio engineering in 2004! I eventually moved back to Richmond in 2015 to return to my roots and pursue my career in real estate. I've always had a passion for buying and selling homes (including many of my own) along with design and renovation (again, including many of my own!), so pursuing real estate was a natural progression and I can't think of a better market than Richmond! I will listen to your unique needs and help you through the home buying/selling process. With the support of Richmond's local real estate agency, River Fox Realty, our team is committed to finding the right fit for our clients - while working hard to SAVE them time and MONEY. My goal is to exceed the expectations of my clients by offering superior service and follow through. My customers and clients feel very satisfied when they find the home of their choice. I'd love to get to know you, talk about your

real estate needs...so.....Drop me an email or call me, Let's Talk!
