I'm an experienced, lesbian realtor operating in Cincinnati, OH and the surrounding areas. My clients love that I'm honest, knowledgeable & always committed to their best interests. I have a strong background in marketing (BA, 20 years corporate experience) which provides a unique advantage when selling properties, and my passion for real estate guides my dedication to finding buyers their perfect home...no matter how many we must view to find the one! Here's what some of my previous LGBT clients have to say about working with me: Jessica is simply outstanding! By far the best agent I have ever worked with! She is on top of things, polite, very knowledgeable, etc, etc.! If you are looking for an agent you can truly trust, you must use Jessica! - Brian C. Jessica far exceeded our expectations! She listened to us, guided us along the process of selling our home every step of the way and all thanks to Jessica, we received 10 offers above asking and sold our home for 55k above asking. Jessica added so many special touches including hosting an open house and baking cookies so potential buyers felt at home. She also coached us along the way and had so many wonderful suggestions. Jessica is the best person and agent we could have wished to work with! We will highly

recommend Jessica and Sibcy Cline to all of our friends and family. Thank you Jessica!!! We are beyond grateful for everything you did to help our family achieve our dreams of selling our home and buying our dream home in our target location! You're amazing!!! - Melissa C. Throughout the process, Jessica was incredibly communicative and always went above and beyond to serve our needs. We could not have been more pleased with the our experience working with Jessica. I would highly recommend her to anyone looking for a realtor. - Amber R.
