I'm George W. Beach, a gay insurance agent, primarily dealing with health insurance. George W Beach Insurance Services LLC is based in Modesto, California, and serves a region of the state that reaches west to San Francisco, north to Sacramento, and east to the Sierra Foothills. Stockton, California, located in the middle of the service region, is an important location for us. Recently, we expanded to the area around Reno, Nevada. Health insurance is a type of insurance coverage that covers the cost of an insured individual's medical and surgical expenses. Depending on the type of health insurance coverage, either the insured pays costs out-of-pocket and is then reimbursed, or the insurer makes payments directly to the provider. Talk to us to find out which option is best for you. You may also wish to expand your health insurance coverage to include dental and vision insurance.
