

MISTR - PrEP and STI Testing Assistance

New York Los Angeles LA Chicago San Francisco Phoenix Seattle Portland Houston
Puerto Rico, California
United States

Phone: +1 747.999.6249

FREE online PrEP & STI testing across the United States, D.C. and Puerto Rico. PrEP is 99% effective. MISTR has eliminated the back and forth required by some insurance companies to get the cost of your PrEP covered. Don't have insurance? No problem, we can help! The required PrEP labs and doctor consult are free, as are all your STI testing. No needles or need to waste your time at the doctors office, you can do everything at home! Already have a prescription for PrEP? We offer free delivery anywhere in the United States, and we make prescription renewals quick and effortless. Most insurance plans cover PrEP – if yours doesn't, we can help you qualify for patient assistance programs so you have no out of pocket costs. We handle all the paperwork for you, so it's hassle free. A seamless online experience with real physicians and free delivery
