PRIDE DAY - EVERYDAY! We believe that PRIDE should be expressed beyond the month of June. Our core mission is to provide Gay Pride Clothing that can be worn everyday of the year in a variety of scenarios -- in some cases -- including the workplace. BRIDGING THE GAP We want our products to be noticeable, casual, sporty, flattering and classic. Through our clothes, our goal is to UNITE people of different communities that have different views and beliefs by bringing a positive message of growth and acceptance, while empowering the person wearing them to feel confident and comfortable regardless of gender, age or size. OUR VISION AND HOPE..... a world where hate and violence are obsolete, hunger is non-existent, all diseases are curable and peace and love prevail. We hope our world will be a place where sexual differences become irrelevant and NOBODY will EVER be discriminated for loving someone. THANK YOU for doing your part!
