I am an independent broker serving the greater San Jose, San Francisco Bay area for over 15 years. I come from a family of builders and self-employed entrepreneurs and have always been guided by hard work, integrity (it's your name), and the understanding of what it means to provide the highest quality of service or product. After moving three times to three different states, I knew that I could provide a better service, a better transaction process for people wanting to move. I enjoy the independence of sales, the challenge in negotiating, and ultimately helping people experience a move with the least amount of stress and most amount of reward. My goal is to become your trusted consultant in real estate for life. I will do the work, I will stay up on my skills, and will continue to provide the best service possible. If you are potentially moving to the Bay Area, give me a call. Let's talk about your goals and how you would like your next move to go. No hassle, no obligation just real information. I look forward to the opportunity to work with you!

Thank you,
