As a LGBTQ+ Broker/Owner, I focus on providing accepting, honest, fair and full representation. If you are looking for a home buying or selling experience that is pleasant, smooth, and even a little fun, I am your ally. I've spent four decades excelling in the competitive landscape of Lynchburg-area real estate, establishing a reputation as a well-respected and innovative agent. My business is built on communication, dedication, and transparency. This recipe has helped me maintain a top 1% ranking of real estate agents locally by sales volume. I am a high-touch broker with extensive market knowledge and unmatched devotion to my clients. A large portion of my success is based on positive referrals. I earn the respect of my clients by working tirelessly on their behalf and by always offering them candid advice. Professional Achievement: My service and leadership within the Lynchburg, Virginia and National Associations of REALTORS® includes numerous Committee Chairs, in addition to LAR Board of Directors, LAR President 2016, LAR DEI

Committee Member 2023; VR Board of Directors, VR RPAC Trustee, VR RPAC Hall of

Fame Member. I was the State Representative for the NAR Broker Involvement Council and proudly served on the NAR Diversity Committee. Community Involvement: As a Central Virginia native, I champion organizations that are committed to innovation, change, and providing solutions including: Lynchburg Humane Society, Amherst County Habitat for Humanity and the United Way Central Virginia Backpack Program. About Berkshire Hathaway HomeServices Dawson Ford Garbee: Dawson Ford Garbee was founded in 1905 by a real estate professional dedicated to delivering the best customer service experience to home buyers and sellers in Lynchburg and its surrounding counties. Since that time, the company, and its accolades, have grown. In 2018, DFG joined Berkshire Hathaway HomeServices because as Firm Owner/Principal Broker, I identified with their commitment to innovation, success and client satisfaction in every aspect of home buying and selling. I saw an opportunity to blend my expertise and client-focused approach to real estate with an esteemed brand known for its integrity, trust and prosperity. Since our affiliation with Berkshire Hathaway HomeServices, Dawson Ford Garbee has thrived, expanding beyond two Lynchburg locations and establishing offices in Amherst County and Charlottesville. At Berkshire Hathaway HomeServices DFG, our clients receive a level of professionalism, drive and expertise from our diverse team. It's our privilege to assist with your Central Virginia real estate buying or selling.
