I am a licensed psychologist who helps trauma survivors and mourners regain their loving connection to themselves and others. I am an EMDRIA-certified EMDR therapist since 2008 and also use clinical hypnosis, CBT as well as Solution-Focused Brief Therapy. I also assist LGBTQ+ teens and adults, depression, anxiety, systemic trauma from all forms of oppression, and chronic illness. In addition to online therapy to California residents 12 to 75 years old, I provide training and consultation in trauma and complicated grief to other mental health clinicians. I invite your inquiries at 661-233-6771.
