

Colleen Maguire Agent, Portside Real Estate

59 Pleasant Street (main office)
Brunswick, Maine 04401
United States

Phone: (207) 951-4893

As an out and proud member of the community, it's an honor to represent all of my clients and their families. When it relates to one of the most significant transactions in your life, it's not unreasonable to expect fair, equal, and honest representation from someone who understands your particular needs and wishes. I have made it my focus and mission to make sure none of my clients ever felt uncomfortable or underrepresented. Everyone deserves a pleasant, safe, supported home buying or selling experience and a real estate advisor that understands equity at a personal level. I serve clients all over Maine, especially in Midcoast, Central, Eastern and the Maine Highlands. I have been an active member of Maine communities for over 35 years. My family has deep roots in Aroostook County, and I grew up in the southern half of the state. With decades of experience in entrepreneurship, business, marketing and agriculture, the heart of my work has always been integrity and a service that goes above and beyond. I am interested in building lifelong relationships, not simply closing a sale. I am focused on serving my communities, and am passionately involved with projects and events, diversity organizations and business groups. I currently live and adventure in Central/Eastern Maine.

Specialization(s): Residential, relocation, DEI, agriculture
