IVAN STEELE LAW OFFICE LGBT IMMIGRATION AND FAMILY LAW FIRM IN THE HEART OF TORONTO Immigrating to Canada? Getting married or separating? Act now and call our Toronto immigration lawyer and our Toronto family and divorce lawyer. Ivan Steele Law Office is founded on its commitment to fair treatment and equal rights for members of the LGBT community. Ivan Steele Law Office is owned and staffed entirely by gay professionals. Ivan Steele Law Office provides practical, personalized and cost-effective legal services for individuals in matters related to immigration law, wills, family law and assisted human reproduction. IMMIGRATION SERVICES Our gay Toronto immigration lawyer, Ivan Steele, understands that your quality of life often depends upon your visa or permanent residence approval. Our immigration practice specializes in spousal sponsorships, common law sponsorships and family sponsorships for permanent residence in Canada for same-sex, bi-national couples. As a gay Toronto immigration lawyer, with a professional background in counseling psychology, Ivan Steele is eminently equipped to devise a winning strategy for your same-sex sponsorship application. FAMILY LAW From a legal perspective, gay and

lesbian divorces and separation are the same as heterosexual divorces.

Emotionally, however, these cases often raise different issues. Many capable family law attorneys can handle a divorce case, but few have the experience, sensitivity, understanding and training it takes to effectively guide a gay or lesbian client through the potential pitfalls of divorce and the unique challenges they may face as gay men and lesbians. We also offer competitively priced value packages for the preparation of Uncontested Divorces, Wills, Powers of Attorney, Separation Agreements, Marriage Contracts, Cohabitation Agreements, Ovum and Sperm Donor Contracts, Surrogacy and Gestational Carriage Agreements and Foreign Divorce Opinions Letters for Remarriage in Canada.
