Gay Friendly Realtor I have been a full time broker since 2003, and I love helping clients achieve smooth and satisfying moves throughout Orange, Durham, and Chatham counties.

I bring to real estate a unique mix of communications and finance expertise. I was a communications consultant for a number of years before entering real estate, and prior to that, was a stock analyst in Boston. I leverage these skill sets in working with clients, to achieve the best possible outcome for each transaction.

I've lived in the Chapel Hill/Durham area for 31 years, and have deep knowledge of local communities, from Chapel Hill, Carrboro and Durham, to Hillsborough and Pittsboro, and Efland to Apex. As a long-time resident and broker, I can provide detailed information to my clients about the market, and the nuances of making a move in or out of the area.

My goal is to be a trusted partner throughout the home buying or selling process, to make it straightforward, positive, and perhaps even fun!

I love what I do - I helped over 50 buyers and sellers in the past 12 months - and look forward to the year ahead and helping many more clients achieve their real estate goals. Awards Triangle Business Journal Top 25 Agents for 2018, 2014, 2012,
