The faculty of happening upon or making fortunate discoveries when not in search of them, or in other words, a happy surprise! This is what is in store for you when you stay in Serendipity in Saugatuck, the Art Coast of Michigan. We want everyone to feel safe and comfortable while staying at Serendipity, and have enhanced our cleaning and sanitizing protocols in response to the coronavirus situation. All surfaces in each guest room in the main house and cottage will be sanitized between each guest reservation. Common areas are sanitized daily while guests are in residence. Hand sanitizer is provided in each guest room and in common areas. Upon arrival guests will be provided with masks. Guests will be expected to wear masks in all common areas during their stay. As an additional safety measure each guest will have his/her temperature checked with a non-contact thermometer prior to check-in. A temperature measurement of over 100 degrees indicates an elevated temperature and we will refuse check-in. The innkeepers will also wear masks at all times and practice social distancing and frequent handwashing. In the main house breakfast is served at two separate dining tables (one for each room) to ensure adequate spacing. Breakfast is delivered directly to guests staying in the

Cottage. We ask that all guests practice social distancing and wash hands.
