Who we are. Since 1982, Adoption Choices, a non-profit, licensed adoption program, has been providing Massachusetts families with comprehensive adoption services. Our program is designed to meet the needs of the adoptive parents, birth parents, and adopted persons by providing a wide range of educational and counseling services. Adoption Choices provides home study services, support and educational programs for waiting families, and traditional agency and parent-identified adoptions with a wide range of openness. We welcome couples and single individuals of all ages, religions, ethnic backgrounds and lifestyles. In addition to facilitating domestic adoptions, we have partnerships with several highly respected international child placing agencies that enable our families to adopt infants and children from Latin America, South America, Asia, Africa and Eastern Europe – including Bulgaria, China, Russia, Korea, Colombia, Ethiopia, India, Kazakhstan, Peru, Nepal, Thailand and the Republic of the Congo. We encourage you to consider adoption as your way to build or expand your family. Our experienced and caring staff are here to help you explore your choices. Adoption Choices places children in loving homes in any of the 351 cities and towns in Massachusetts.
