Now in our 16th year, our niche within the gay travel world consists of designing superlative, unique, guided small-group tours to a variety of countries for savvy gay and lesbian travelers who desire the stress-free ease of an organized escorted vacation and who like their comforts. Our trips are insightful, fun, and casual. And while we relieve you of the effort of planning a finely tuned vacation, you won't feel like a sheep on our tours. Our aim is to enable our guests not simply to see a destination but to experience it and appreciate it. We personally design our own unique small-group tours for the gay travel audience and friends. We offer eye-opening escorted vacations in Europe, Africa and Asia, and our schedule of tours changes from year to year. Our trips offer a cultural or occasionally an easy-adventure focus, and the vibe is always casual. The size of our tour groups is always kept small — usually 12 to 15 participants maximum. Special emphasis is given to fine accommodations and meals as well as the excellent guides who lead our trips. Trip themes vary and include cultural and history tours, nature trips, cruises, wildlife safaris and more. We invite you to explore our site and contact us to request more information about any of our guided tours for gay & lesbian travelers and friends. Venture Out welcomes all curious, open-minded, fun-loving travelers —

singles, couples, and friends traveling together. Happy Travels . . . from Venture Out.
