

Zouves Fertility Center - Treating LGBTQ Patients

1241 E. Hillsdale Blvd., Suite 100
Foster City, Fremont, Oakland, San Francisco, CA, California 94404
United States

Phone: 800-800-1160

Zouves Fertility Center provides comprehensive services, including conventional IVF, IVF with Egg Donation and IVF with Surrogacy. Zouves Fertility Center's state of the art Embryology Laboratory under the direction of Frank Barnes, PhD., is staffed with experienced embryologists offering CCS, ICSI, assisted hatching, and blastocyst transfer. This team, including and participating urologists, has performed over 500 TESE procedures together. Additionally, Zouves Fertility Center offers the latest testing such as CCS and immunological therapy.
