Wedding and Funeral Ceremonies, British Columbia Life's Circle specializes in ceremonies for all your most precious life events. Our weddings and funeral services are inspirational, couple and person-centered, spiritually meaningful, and based on your religious, semi-religious, or secular beliefs. What is especially unique about a Life's Circle ceremony is the concentrated time I spend with a couple and family to create a life-centered, special service or event, which is focused on the couple's story or the person's life. I offer ceremonies anywhere in British Columbia, Canada but based in beautiful Victoria, BC. Check out my website!— Reverend Jim Lauder, MA, SFO, Ordained Celebrant
