Hi! I have lived in the Greater Seattle area for 31 years, selling real estate for the past 18 years. Seattle has so much to offer, for everyone. It has the arts, shopping, the outdoors and every kind of organization that you can think of. It is a large city with a small town feel. There are many different neighborhoods and each has it's own feel. I can help you find your new home or sell your existing house, working diligently for you, 24/7 if need be. I do what I have to do so that your real estate goals are met. I have a great team of referrals that are on my website, for you to use whenever you need them. You will appreciate the difference in my services. I am experienced, fun, ambitious, detailed and know the neighborhoods. I handle all of the details, so you don't have to worry about one of the biggest transactions you will ever make. I will make sure that it is a smooth, easy transaction so you can think about where the furniture will go and what color of paint you want to paint the living room. I will give you ideas of what remodeling you could do and have contractors for you to ask. I will make it a fun experience...call me and find out!! I have been voted 'Best in Client Satisfaction' for 14 years in Seattle

Magazine. Contact me! Let me show you what I can do for you! Looking forward to
