Enjoy a beautiful lake view and spectacular sunsets from our small cottage that stands apart from the main house (or from the tree swing in the backyard if you like). Tucked away in a quiet neighborhood, on a small street, One of a Kind is convenient to Burlington's Downtown and Waterfront. This creatively renovated 1910 house and carriage house is comfortable and eclectic. Specializing in life's essentials: natural light and fresh air. Thinking green is part of our philosophy and lifestyle at One Of A Kind. We compost, recycle and we even renovated using green practices. Absolutely stupefying views of Lake Champlain and the Adirondack Mountains— a brilliant place to watch Burlington's 3rd of July fireworks! Easy walk to the Bike Path and the Burlington Waterfront. Enjoyable running and walking routes mapped out from the house for easy navigation. Close to shopping, dining, and nightlife in Downtown Burlington. A great home base for your Burlington Brew Tour! Beautiful backyard gardens complete with table, chairs, and tree swing. Retro-current décor!...and 100% cotton linens!
