I am a realtor that has been serving the Nashville and surrounding counties since 1998. I work with buyers and sellers! I deal in residential, commercial, condos, and land. Voted 3 years "FAV GLBT REALTOR OF THE YEAR." My reputation is every thing to me in this community ... I will work for you honestly, diligently, and guide you safely in the process. I have many references, if you desire. I previously worked in the music industry, have sold many homes to some of the top acts and their staff in the business. I completely 100% respect and honor your privacy!!!! I will listen to your needs. I have a team that works with me in your protection factor. From home inspectors, lawyers, title company, insurance company and lenders - whom I would never refer - IF - I did not believe and trust. Of course, you choose whomever you want to work with... that is totally your call. Nashville is an awesome town, that is not only known for music... but, for friendliness and an ever-growing economy even in today's world. Come visit, contact me and I will show you around. Like a free consultation, if you will. Visit my website for more information. I hope to hear from you! Thank you for giving me the opportunity of working with/for you.
