the perfect name for real estate! I've lived in the desert since 2009 and recently purchased a home, so I know first-hand what's involved when buying and selling in our current real estate climate. Prior, I enjoyed a long and successful career in the financial services sector, primarily with industry leader - Charles Schwab & Co., Inc. in San Francisco. I've also worked at Goldman Sachs and UBS Warburg in New York. During my thirteen year career at Schwab, I worked in retirement planning, project management, and product development, which has given me the ability to effectively manage the smallest of details without losing sight of the big picture. These attributes, along with being dependable, trustworthy and loyal, will ensure that every client relationship will be treated with the highest amount of care and respect. I know there are a lot of real estate agents out there to choose from, but what sets me apart is simple -- I have an overwhelming desire to help people. With every client I promise to do the following: Deliver the highest level of customer service Be dependable, reliable, trustworthy and loyal Treat each client with respect, integrity and honesty Set proper expectations and exceed them I was born and raised in Vancouver, British Columbia but at the age of fourteen, I moved to the United States with my family. For the past three decades, I've enjoyed living in 2

Reno, Las Vegas, Sacramento, San Francisco, New York, Tampa, and Los Angeles. I'm an avid tennis player and fan, and also enjoy cycling. I'm also a huge animal lover, having adopted two rescue dogs: Humphrey and Bogart. As well as a strong advocate for children, especially those with special needs such as Autism. I live in Rancho Mirage with my husband, Jim, who is a Special Education teacher, and our two children, CJ and Brooklyn. DRE License #01920611
