"Must Do Wine Tour" as listed in Dream Vacations Magazine and "Top 15 Best things to do in Niagara Falls." Niagara Vintage Wine Tours is Ontario's top rated wine and culinary experience and tour company as rated on Tripadvisor since 2009. They were inducted to TA Hall of Fame for excellence in customer service. Known as the 'Wine Smart' People! They have become Niagara wine region's wine experience specialists. They provide educational and professional wine experiences led by trained industry guides while offering many diverse tours to accommodate individuals or groups and educate not only on wines but also, the wine region. Visit awarding winning wineries and get a taste of what makes each unique. From the hidden gems, smaller boutique wineries to the larger corporate and more recognizable brands you will leave with an appreciation of Niagara Wine Country. Your professional and industry trained guide will pickup you up at your hotel where you will begin your journey. Along the way your wine experience guide will educate you on the Niagara wine region; what makes it so unique, grape growing and vineyard techniques, history of some of the wineries and also lead you through a tasting seminar so you can better appreciate the 3-4 wines you will be trying at

each winery. All tours include a grand tour of a wine making facility. Our packages include: full day with gourmet lunch, half day with cheese & charcuterie platter, Winemakers Gourmet Dinner with wine pairings and private tours in luxury vehicles. We specialize in custom, group and corporate tours. We have over 25 years experience in the wine/culinary/event planning industry and have established partnerships in the industry. Our experience guides are professionals in the industry that have studied wine professionally and have worked in the industry. Rated Number One Wine Tour Company and Top Things To Do on Tripadvisor since 2009.
