Unsurpassed, Unique, Unparalleled Self Publishing, Marketing, & Distribution Svcs. &

MoreMANA is an online company that provides self-publishing plans that fit every budget. And for individuals who have a manuscript they wish to have published, MANA has a relationship with Robbie Dean Press, a traditional textbook publisher, that can serve those needs. Editing, proofreading, customized color covers, and e-book services, yes, MANA does it all—at competitive, reasonable costs. MANA provides extensive marketing services. In addition, distribution is provided at no cost to authors. Also, MANA provides writers opportunities to have their poetry, short stories, and extended five-part short stories published at no cost. Finally, MANA provides consultation for business owners and their staff. This consultation aims to assist owners/staff on a one-on-one or group basis to write more effectively to garner and keep clients. The major focus is on improving grammar, punctuation, and word choice skills. So, when one visits the MarketingNewAuthors.com website, s/he will see there is more than just publishing services offered. And although based

in Michigan, for over 15 years, it has served customers and clients throughout the world. Finally, it is one of the few companies that is solely-owned for this length of time by a woman. So, if you want to work with a remarkable, committed, hard-working staff and owner, welcome to MarketingNewAuthors.com (MANA), www.marketingnewauthors.com!
