Repro Lab, located in midtown Manhattan, provides a variety of reproductive services ranging from pre to post conception. Find a sperm donor or store your semen, eggs or embryos for future use. We create a welcoming environment to all of our patients and our goal is to address any specific reproductive needs in all communities. Hablamos Espanol. Ofrecemos una variedad de servicios de fertilidad: almacenamiento de semen, ovulos, embriones; muestras de donantes, y servicios de insemination artificial. El ambiente es amistoso y sensible en donde todos los pacientes reciben atencion personalizada para sus necesidades. We also speak French, Polish, and Russian.
