We do not discriminate against anyone at All Family Law Group, P.A. and we provide legal services to ALL individuals! Specifically, legal matters which are important to the LGBTQ community in which our attorneys practice include, divorce, family law, name change, criminal defense, as well as stepparent/relative adoption. We can also help with debt discharge solutions through Chapter 7 bankruptcy which can either be personal or business bankruptcy and that most or all of the debt will be discharged within a few months. Paternity actions are another area of law in which we can help you. If you are the father of a child who was born outside of marriage, then until you file an action to determine paternity and related relief, you do not legally have rights as a father.Contact the dedicated and responsive lawyers at All Family Law Group, if you have questions regarding any of the areas of law in which we practice. Begin the process NOW. We are committed to providing you with the best representation possible. Contact our law firm online or call 813-672-1900 for a free consultation with one of our experienced attorneys to discuss your situation and to discuss your available options. We have offices conveniently located throughout Tampa Bay. Se habla español.
