Canadian Mortgage Professionals Inc is a dynamic, privately owned mortgage brokerage firm based in Calgary, Alberta. We have dedicated the last 20 years to finding mortgages that are tailored to the needs and goals of our clients. We are a team of five fully trained mortgage professionals, governed by the Real Estate Act and licensed through the Real Estate Council of Alberta (RECA) – whose mandate is to protect consumers and provide services that enhance and improve the industry. Ongoing annual education is one requirement for maintaining our licenses which also keeps us up to date serving our customers' needs. With over 55 years of combined experience, our team has the skills and knowledge to help you find a mortgage that is perfect for you and your lifestyle. An independent (not part of a national franchise or bank) mortgage broker is a professional, licensed through the Real Estate Council of Alberta (RECA). Bob Reader is the Broker at Canadian Mortgage Professionals Inc. Bob is responsible for his team of Associates, who are also licensed (through RECA) to deal in mortgages. Bob's team includes Ken, Jackie and Colleen – who will all work on your mortgage as if they were doing it for themselves. If you're not happy, we are not happy. A mortgage broker not only works to get you the best interest rate, acting as a liaison between you and the lender, a mortgage broker/associate handles everything from the initial application, a search of the products available, collection of documentation, support and advice to ensure you are comfortable with the process and the final product. The role of a

mortgage broker doesn't stop at securing your mortgage – we provide follow up throughout your term and we are easily accessible to answer any questions that may arise, we send regular market updates to keep you in the mortgage loop. As your term reaches maturity you can expect a call from our team to ensure you are well positioned for the next term in your mortgage. Give us a call today, you'll be happy you did. 403-509-2434 1-877-676-4496
