Fairfax, Virginia 22030  
United States

Phone: 703-279-2101

Dr. Elizabeth Murphree has been serving patients for over 21 years in the heart of Fairfax City. She works alongside Heather DeCamp who is a licensed massage therapist. Fairfax Chiropractic is a small practice that works by appointment answering phones 24/7 in order to better serve you. You can also schedule online and we will confirm with you asap at [www.fairfaxchiropractic.com](http://www.fairfaxchiropractic.com) Located in same complex as Room Escape, we are in Courthouse Professional Center. Patients use flexible spending accounts and we are out of network with insurance. We will submit your paid claim as a courtesy. We strive to be the best and work hard to make you feel like you are our number one priority. We are busy on Saturdays but we do have longer times available during the week and we are open til 7pm most evenings. Since we work Saturdays as early as 7am for massage clients, then we are off on Mondays. Please call us today and find out why we are the best at making you feel the best. Serving patients in the know is our motto.
