

Arlene Goldberg, Real Estate Agent Fort Myers

2283 Main Street
Fort Myers, Cape Coral, Bonita Springs, Florida 33901
United States

Phone: 239-898-6124
Fax: 1-800-352-6759

I was employed by Lee County Government's, Facilities Management Department, as their service contracts manager, securing and managing leased commercial properties and associated services as required for county departments. Secured my Florida Real Estate license in 2000. Being hired for a large corporation, in Fort Myers, as their Facilities/Safety Director I took a 14 year leave from Real Estate. I re-activated my Real Estate License and am now selling Residential property and LOVING IT!!!! I was awarded the "Voice for Equality Award", from Equality Florida in 2014 and the "2017 Four Way Test" Award from the Rotary Fort Myers South. I also received the inaugural award from Pride SW Florida named The Goldberg Award for my contribution to the SW Florida LGBTQ+ community. I founded The SW Florida Harmony Chamber of Commerce for LGBTQ+ businesses and allies; co-founded Visuality, Inc. (programs for the community) (501c3). I continue to be very involved in equality in the SW Florida community. I am a member of the SW Florida Homeless Coalition; attended Queens College in New York and Edison Community College in Fort Myers. Arlene is an advisor with Engel & Voelker in Downtown Fort Myers servicing all of Southwest Florida., She relocated from New York City to Southwest Florida in 1989. She was a Facilities/Safety Manager for various businesses for most

of her career. Arlene worked with Coldwell Banker previously as a property manager and salesperson for 3 years, ReMax Trend in Cape Coral in residential sales for 3 years and now with Engle & Voelker I am happy to say. She is a leader for equality in our community where you can find her on TV, in a newspaper or just plain advocating for the LGBT+ community. You will find she is thoroughly knowledgeable about this community she loves and lives in making it easier for her clients to get to know the various areas available for them.

Specialization(s): residential, property management
