Part of that time was spent working in LGBTQ media for the publications Advocate, OUT, and as VP of Advertising Sales with PlanetOut Inc. His advertising and sales experience have proven to be assets in his real estate career. The arts, theatre, cooking, reading, and exploring Tampa Bay are some of his passions.Chris was raised in the suburbs of Philadelphia and is

a graduate of Temple University. Beginning his career in retail, he moved up the corporate ladder before embarking on a career in real estate. Chris brings over 12 years of real estate expertise to the McGuire Home Team. With a history of making each transaction go smoothly and close successfully, he strives to create long term relationships based on trust, support and customer service. From the initial meeting to the closing, Chris will guide you through every aspect of your home sale or purchase. When not assisting sellers and buyers, he enjoys the beach, dining out, traveling and spending time with his daughter, friends, and family. "Rob obviously specializes in helping families relocate to the Tampa Bay Area. My boyfriend and I bought sight unseen while living in Nashville. Rob went above and beyond to make sure it was as smooth transition. We appreciate everything he did and are almost one year in our home. Best luck I ever had!" John B, Client "My husband and I relocated to FL from OH and Rob was beyond fantastic. We had a very short window of time and and a long list of must have items. Rob listened to us and found us exactly what we were looking for. That is when he became more than a realtor and became our friend for life. Because of distance he handled our inspection for us. He supported us every step of the way. If you are looking for a realtor who actually cares for his clients and not just the sale, look no further than Rob McGuire." Chris H, Client
