CLOSEDMy name is Josh and I own and operate Hangin' with Buddy®We provide daily dog walks, drop in visits for all kinds of pets and pet sitting in our home or yours!!I'm a pet lover... I absolutely love dogs and being outdoors, so dog walking and park visits are just my cup of tea! Hangin' with Buddy® is unique in that we use the latest technology to enhance the experience of our customers. Our clients know when a visit is started and can see detailed notes and GPS tracking at the end of each visit. This additional measure of technology helps my buddy owners' have peace of mind. I share photos and keep in constant contact during my care, which lets them know their babies are safe and happy!I look forward to taking care of your furry friends whenever you are in need!
