We are a queer-owned and queer affirming private practice psychology clinic, specializing in treating trauma, addiction, depression, and anxiety. We utilize Best Practices to provide online therapy to all Albertans, as well as in-person therapy in Edmonton at our office-based location or one of our equine-assisted therapy locations. All queer contexts, including gender diversity, poly and alternate lifestyles, and blended queer families are welcome!

Specialization(s): Trauma, addiction, depression, anxiety
Rates: 220/hr; some sliding scale options
