Hi there! My name is Gabe and if you're looking for an LGBT PROUD Financial Advisor who listens and cares, you just found one! I began my career with Edward Jones as a financial advisor in Orlando, because I strongly identified with the firm's value and mission to help customers achieve their long-term goals financially. It was the best career and life decision I have ever made. As an active member of the Central Florida community, I'm a passionate advocate for human rights, animal welfare and LGBT rights. I actively work with several organizations in the area to make our community a place that everyone is proud to call home. In my free time, I enjoy visiting local theme parks, spending time in the kitchen making my favorite meals and love traveling the world with my dog Parker, who was rescued locally. My Branch Office Administrator, Zena, helps deliver the customer service that our clients deserve. Zena, lives in Kissimmee with her husband, Mario. In their free time, they enjoy theme parks and spending quality time with family and their two pups. Please contact us to discuss your personal situation and options, so we can get to know each other and start paving the path to your and your family's financial future. Thanks for reading, I look forward to working with you!
